

# Lead Like Jesus

This Leadership Development Encounter is a 1 to 2 day developmental workshop designed to introduce the “Lead Like Jesus” servant leader model. Leaders will find new fulfillment and effectiveness in creating long-term value and transformational change in both their personal and professional relationships.

You will experience both the barriers to effective leadership as well as the power of the Heart, Head, Hands and Habits of *Leading Like Jesus*.

## What are the objectives of a Lead Like Jesus Encounter?

1. To learn how to apply the transforming and practical servant leadership principles of Jesus to the real life challenges that exist in your home, work and community.
2. To explore your own personal leadership motivation, thinking, behavior and habits as part of the discipline of *Leading Like Jesus*.
3. To challenge you to live your faith at work, at home and in your community by developing your personal next step and long range plan to be a servant as you integrate *Lead Like Jesus* into all facets of your leadership activity.

He took 12 ordinary men and disciplined them 24-7-365 for three years. And in that time they were trained and transformed to assume leadership of the most important movement in the history of mankind. This Master Leader remains the most effective leadership model of all time.  
***His name is Jesus.***
